

COMMITMENTS FOR HEALTHY COMMUNITY

I will do my best to help each individual of this Bible study feel loved and accepted and challenged to grow in their understanding of and obedience to the word of God.

I promise that anything shared within our group is confidential. What goes on in Bible study stays within the realm of our Bible study.

I will share thoughtfully and try not to dominate the discussion, so that others may be able to share what God has placed on their hearts.

I will do my best to give priority to my Bible study group by attending each week, arriving on time and trying to have my study completed unless unavoidable circumstances interfere.

I promise to make my attendance at prayer group non-optional because it is in praying that I grow spiritually and bond with the members of my group.

I want to be intentional about maturing in my Christian life by sharing as openly as possible and being open to the loving support of the members of my group.

I promise to practice patience with those who may be younger in their faith journey than myself. I do not want to be a stumbling block to them.

I believe that I am and important part of the body of Christ and I need to do everything I can to support this group throughout this year.

It is my desire to grow in Christ so that I may be found by Him, worthy of the calling! AMEN!
